Dear Tim & Debbie,

Thankyou for continuing to remember us in Prayer. We are all healthy and filled with joy. Our days are very busy with work in the Finance Office and the Computer Room. Bob is busy keeping the Chart of Accounts current and up-to-date and I'm busy setting up a computerized inventory system for the Aviation Department. They have around 5000 parts to keep track of. In our spare time we read, write letters, study, and listen to tapes.

Last Saturday, we drove to Goroka, which is the Capitol of the Eastern Highlands Province - the one in which we live. We went to see the Annual Show. In many ways it resembles the 'Fairs' and 'Exhibitions' we have back home. But we saw hundreds of nationals dressed in their ancient costumes and doing their native dances. What a colourful presentation!

We have been so amazed at how God has taken care of our every need here. Sometimes it seems too good to be true. We are provided for abundantly in every way. We can buy most everything we need here and the rest we've learned to live without.

We are still planning to go to Dallas, Texas next summer to spend a year in linguistic training. We could go to Australia for the training, but since we have to come home anyway, it will be better for us to study in Dallas for a number of reasons.

Right now the rain is melodiously pattering on our tin roof. I love it when it rains at night. Everything is so peaceful.

Jason and Jeremy are nearing the end of the third term for this school year. Time flies in Papua New Guinea too!

Sincerely,

Bob & Verna
