**Robert continues to edit Translator's Notes. Although he writes and edits in simple English, others are translating his work into French, Spanish, Portuguese and some Asian languages, thus multiplying the usefulness of his work for Bible translation around the world.**

**Verna continues to counsel missionaries and to mentor two new counselors to Wycliffe-Nancy in Kenya and Mark in Dallas, who is headed to the Philippines when his orientation is complete.**

**Jason made a lateral move in the Company he works for and now he has to travel more; his work involves maintaining software on military aircraft. Please pray for safety for him.**

**Jeremy has violated his parole for the second time, so he is back in prison until June. Please pray that God would do a miracle in him and for him.**

**We are planning a trip to visit family, friends, and supporters at the end of August. Please pray that God would show us where to go and who to see.**

**We continue to pray for you that our Heavenly Father will prosper you and keep you in divine health, even as your soul prospers.**

**Thank you for your love and care for us. We love and appreciate you!**
