Verna helping her mother with household tasks

Our beat-up car after the deer hit it

We had a wonderful trip to Canada this summer visiting our supporting churches and friends. We left on July 24th after church and drove straight through the first night heading to Alberta, Canada.

By Thursday we were headed to Rocky Mountain House taking the long drive through Banff and the mountains. As we were enjoying the scenery, a deer dashed down the mountain and onto the highway. He stopped for a second, then took off again ramming directly into our car. We were safe, but our car sustained around \$1600 in damages. Fortunately it was drivable.

On Sunday, we shared in two services at Fort McMurray Gospel Assembly. Our topic was “Building and Maintaining Healthy Relationships”, with a focus on marriage. It was very gratifying to see so many people come forward for prayer. Pastor Glen wrote “Thanks so much for being with us – our people so appreciated you both. We do hope that you had a good trip home – no more deer on the highway. We trust for great days ahead!”

A highlight of our trip was the opportunity to go ‘quadding’ (driving 4-wheelers) with supporters at their cabin on the lake east of Edmonton. What fun to speed through mud, water, and over hill and dale!

The last week we spent in Steinbach, Manitoba visiting supporters, catching up with old friends and spending time with Verna’s mother. We stayed with our friend Elaine, whose husband passed away last year. She wrote, “Thank you from the bottom of my heart for all the wonderful help the two of you were to me in various different ways while you were with me. I really appreciated all the help you were to me, Robert, with the various jobs you did around the house. Verna, you have no idea how much that little pointer you gave me on the computer has helped me.”

On Sunday, August 14th, we spoke at Shalom’s Family Camp. After lunch we hit the road again. This time we headed south to Texas, driving through the night arriving home Monday afternoon. It was so good to be home again. By now Robert is back in the saddle editing Translator’s Notes. Verna continues to counsel missionaries and missionary applicants.

We continue to pray for you that our Heavenly Father will prosper you and keep you in divine health, even as your soul prospers. Thank you for your love and care for us. We love and appreciate you more than you can ever know!

Robert & Verna
