Robert continues to edit Translator's Notes. He is almost finished with his work on the book of James. He has also been working on Luke chapters 20-24. Since he is a member of a team, the team members pass the chapters around for the various steps in the process.

Verna continues to counsel missionaries and missionary applicants. In addition, she is helping her colleague, Howie, write and design a suite of online courses to help missionaries overcome addictions.

We had a wonderful time with Jason and his family, celebrating both Thanksgiving and Christmas with them. Please pray for safety for Jason, as his work once again takes him to a nation of great concern for several weeks.

Jeremy is starting a salvage business, cleaning up vehicles that were burned in the California fires several years ago. Please pray that God will prosper him in his efforts.

In September, we requested prayer for several of our supporters—Thank you for praying. The doctors are acknowledging that Robert's brother, Gene has experienced miraculous healing with his brain tumor shrinking.

We continue to pray for you that our Heavenly Father will prosper you and keep you in divine health, even as your soul prospers. Thank you for your love and care for us. We love and appreciate you more than you can ever know!
