The Call

Back in 1982, we answered the call to Bible Translation. We have spent our lives supporting Bible Translation in a variety of different roles. On March 31, 2011 Wycliffe celebrated twenty-eight newly translated Scriptures at the Orlando headquarters in Florida. These Bibles are from all over the world—places like Peru, Cameroon, Ghana, Indonesia, and Papua New Guinea. We rejoice with each person who now can hear about God in their "mother tongue" language.

*Love,
 Robert & Verna*

Thank you for both your prayer and financial support. We are so grateful for you. Without you giving faithfully to our ministry, we would not be able to touch the lives we do. We pray daily for you - that Father God will bless you 'beyond what you can ask or think'.
