Dear _____

Praise the Lord! We are happy and healthy here in the Oklahoma sunbelt. We are very encouraged that our time of linguistic studies is nearing the end. When we look back over the past year we marvel at the Lord's grace in getting us through this period of time. It is not the kind of thing that we would want to have to repeat. But with God's grace 'all things are possible'.

The pain that Bob was suffering in his arm and back has disappeared, for which we are very thankful.

Jeremy was given a fishing rod and reel before we left Dallas and Jason earned some fishing gear through a Sales Leadership Club this summer. They are both very anxious to try out their equipment. Bob and I are not 'fishy' people, so we need some volunteers to take them fishing. Any takers?

We praise the Lord for each new person he assigns to our team as prayer and financial partners. We've had a few new people join our team since we wrote you last. Please pray that more people will hear God calling them and become partners with us.

We are planning to visit in Saskatchewan and Alberta from August 15 until September 3. Then we will settle in Steinbach, Manitoba for the autumn months where Bob will take some Bible courses at the Steinbach Bible Institute. Wycliffe has asked Bob to take some Bible courses before we return to PNG. During this time in Manitoba we would like to visit area churches and share the vision of Bible translation. Please pray with us that God will give us opportunities to share.

Verna would like to teach part-time in the fall. Please pray that a job will be available. Personal mail for us can be sent to:
