Robert continues to edit Translator's Notes. He is still working in the book of James. Although he writes and edits in simple English, others are translating his work into French, Spanish, Portuguese and some Asian languages, thus multiplying the usefulness of his work for Bible translation around the world.

Verna continues to counsel missionaries and missionary applicants. In addition, she is helping her colleague, Howie write and design a suite of online courses to help missionaries overcome addictions. Mark completed the new missionary counselor orientation course and is now serving in the Philippines.

Jason, Anna, and their boys are doing well. It is always such a blessing to spend time with them—birthdays, holidays, boys' soccer games, camping, helping them with house projects, or just hanging out.

In September, we requested prayer for several of our supporters—Tom, fighting lymphoma cancer; Gene, fighting brain cancer; and Claus, needing work. Thank you for praying. Tom passed peacefully, Gene's brain tumor has shrunk, and Claus is back to work. Please continue to pray for John, Mike, and Steve—that the Lord would provide them with an abundance of work.

We continue to pray for you that our Heavenly Father will prosper you and keep you in divine health, even as your soul prospers. Thank you for your love and care for us. We love and appreciate you!
